

# PRIVACY

By accessing this website, you agree to the collection, use, storage and disclosure of your personal information in accordance with the terms and conditions of use for this website. If you do not agree with the terms and conditions for use of this website, you must immediately cease using and discontinue further or future use of this website.

Nobel collects information from users of this website in several ways including the collection of domain names that may be aggregated for the purposes of measuring usage data. This data would include number of visits and access time and is used to measure use of the web in order, among other things, to improve its content.

Cookies are pieces of information that are transferred to your computer's hard drive for record-keeping purposes related to information about users and their use of websites. This website or some of its pages may use cookies enabling Nobel to better assist users with more tailored information when the user returns to the website. This information make users' usage of this website easier and faster. Cookies are also used when personalized information is requested. You may choose to turn off any cookies by following the help instructions from your browser.

Nobel cannot and does not guarantee that your personal information will not be captured by third party websites that may be connected to this website by way of links and bears no liability for any of your personal information which is either captured or used by such third party websites.

While Nobel makes reasonable efforts to preserve user privacy, disclosure of personal information may be required by law and by using this website, you are agreeing to such potential disclosure.
